Sermon Notes

I Peter 1:1, Luke 22:61 & 62

“Epiphany Hope: Hope Beyond Failure”

- Introduction
Hope is a wonderful gift from God, a source of strength and courage in the face of life’s hardest trials.
- Hope is something important to us...
As water is to a fish...as vital as electricity is to a light bulb, Hope is that basic to life.
- Once lived a man who loved the sea...
Peter...one of the twelve, spokesman for the twelve.
- Peter failed his Lord
- The one thing he needed to carry him was gone...HOPE...
Until that glorious resurrection day the first Easter Morning.
- Between Peter’s earlier failure and his writing his letter, Peter has been used of God as the catalyst in the formation of the early church.
- This is a time when we can use some of Peter’s fresh air in the form of a big dose of Hope.
- Story of Michael English.
