DON'T BE ANXIOUS! Easy to say but hard to do. St. Paul said there is NOTHING that should cause a child of God to worry. That is some statement, in fact that statement even rattles me sometimes. It was not that Paul was not aware of things that cause anxiety. His nation was occupied by a foreign army and ruled by corrupt leaders. He was writing from prison, where he was being held as a result of false accusations. He was separated from those he loved; his motives had been questioned and he was misrepresented. Some were trying to undermine all that he had accomplished in starting churches. He suffered physically and faced imminent execution (II Corinthians 11:23-29). Yet through all of this...in all of this, in spite of all this Paul wrote and lived out that there would never be a crisis so troubling that God could not bring peace in the midst of it. Did you hear that? Sound like Paul was off the wall but no, he was so connected to his Lord, so in touch with God’s Spirit that he lived out the fact that God was with him through it all and would bring him out to the other side.

God will not necessarily take your problems away but carry the load for you. So what load is God calling you to unload on Him? God wants you to experience His peace which is beyond human comprehension. We will never fully understand how God can give us peace in some of the situations we face, but we do not have to understand it in order to experience it. This is where faith comes in. Do you have enough faith to let this peace surround you. So in the midst of all of this Paul in the scriptures says “Be Anxious About NOTHING! Now here is a faith statement. There is NOTHING that you can face that is too difficult, too troubling, too fearful...WHY? None of the stuff we are going through is too fearful, difficult or troubling for God! No matter what our circumstances, turn your anxiety over to God and let God’s perfect peace guard your heart.

Let the turning begin!

A Message from Pastor Gary

If You Love Me, Then…

Love… real love always carries with it commitment. When two people fall in love, they don’t just go on living the single life looking for other people to date. They become committed exclusively to each other, followed by engagement and marriage. When a mother or father loves their child they don’t just let the child raise him or herself, they become totally committed to working, providing, nurturing, and sacrificing for their child. Love, real love, is unconditional, but it does carry with it commitment.

In scripture, Jesus doesn’t settle for a superficial shallow love—a love without requirements. Jesus expects love followed by commitment. Sometimes Jesus requires us to keep the commandments if we love Him (John 14:15). Other times Jesus requires us to feed His sheep or serve His people if we love Him (John 21:15). Jesus never asks for the feeling of love, Jesus requires our love for Him to be defined by our commitment to following His way of life.

The commitment that love requires can be extremely hard, maybe even impossible if the love is not reciprocated—if the person you love does not love in return. One would probably not be planning a wedding if one’s future spouse were still dating everyone in the neighborhood. We would probably feel hurt if our children never bothered to call or visit us in our old age. Love, real love, is easier if you are being loved.

Our love for Jesus may be demanding and it may hard. It may carry with it requirements and commitments…but always remember that Jesus was committed to the death for you. His love for you carried conditions and commitments; all the way to the cross…You have been loved. Now love in return by living the Jesus way.

Blessings,

Rev. Gary Hilton

MARK YOUR CALENDARS!!
New Jersey Mission Trip for 2017

Be The Change That You Want To Be in 2017!!! God is leading the missions committee and the congregation of CUMC into another exciting new venture in 2017. The ground work has begun on the next Missions Trip which will be in Neptune, New Jersey on July 2nd-8th 2017.

Superstorm Sandy hit the Jersey shore Oct 29th, 2012 and was the worst storm that New Jersey ever experienced. 250,000 homes were affected, 82,000 of those homes sustained major damage and over 161,000 people were displaced. The Greater New Jersey United Methodist Church created a long-term 15 year recovery organization, “A Future with Hope” to assist families and communities to recover. But they need our help!! Please consider this year being a part of a “flood of volunteers” and helping in the 15 year commitment to help the people of the Jersey shores to get back in their homes, and back to their lives!

This new mission trip will leave CUMC on July 2nd and return July 8th. The trip will include adults and youth over the age of 14. Family unites are welcome as well. The work will include painting, laying floors, and other construction. We also need a few people to volunteer for this trip to be our “kitchen staff” to prepare meals for our group. The cost of the trip is $250 per person (youth can use their youth accounts) and this covers lodging, materials for the job we will be assigned and some meals. On our day off in the middle of the week we are hoping to do a bus tour of NYC.

I hope you will open your heart to the needs of others and consider volunteering for the Sandy Relief mission trip for 2017. We ask for your prayers in this new venture that God has asked of CUMC. Please do not hesitate to call me if you have any questions, or would like to be put on our volunteer list.

Peace and Grace,
Debby Kroll Mission Trip Coordinator

Hi everyone. Just because the nights are long and the snow is swirling doesn’t mean winter time can’t be fun. Just look at what’s trending this February in Children’s Ministry.

Friday Night Kids – Big Screen Movie Night will be held on February 17 from 6:30-8pm at the CLC. Kids in Kindergarten thru 5th grade are invited. Entrance fee is $5.00 per kid. Make sure to pack a pillow and sleeping bag for the gym floor. Kids can even wear their pajamas. Although I can’t publically announce the name of the movie I can tell you it has to do with pets – so bring a picture of your pet for the Pet Wall of Fame!

Our famous Kids in the Kitchen returns this month for its fifth year! Students in Kindergarten through 5th grade will have an opportunity to learn how to creatively cook two “healthy” recipes with “Miss” Susan and her friends. Two classes are planned: February 15 for kids in Kindergarten through second grade and February 22 for kids in third through fifth grade. Cost is $15.00 per person. Registration forms can be picked up at the church Welcome Centers. Parent volunteers to assist in the kitchen are welcomed and needed!

I can’t believe it time for VBS planning! The first organizational meeting will be held on Monday February 27, 6:30pm. This year’s theme is VICTORY and it will be the ultimate pep rally for Jesus. The Bible is filled with examples of God’s people shouting and cheering in response to His mighty acts of power. I want you to come help lead VICTORY VBS and help prepare the invitation to children to do the same by remembering who God is, what He has done, and what HE promises to do!

To keep Valentine love flowing all month long in your home I’ve added a family activity that you can do at home. Create an “Encouragement Box. Work together to decorate a small box and lid big enough to hold cards, notes and mementos. Place the box in a central location in your home. Family members can place cards, notes, prayers, etc. in the box. At the end of each week (Ex. Sunday evening) gather the family together, open the box and pass out the contents. Let the contents be a source of encouragement to one another by the many special thoughts, prayers and compliments.

May you feel His love for you in all that you are and do.

Peace & Blessings,

VBS Planning Meeting
Monday February 27, 6:30pm

VBS is usually the biggest “kid-centric” outreach of the year at Chippewa UMC! More than anything else we do, VBS helps us to focus on welcoming the kids around us into our church and our lives—especially kids who haven’t grown up in church or been exposed to the good news about Jesus!

For many kids, VBS is their first exposure to what “church” and Jesus are all about. With that said, I’m inviting YOU to come plan this year’s VICTORY Vacation Bible School program.

VBS will take place the week of June 19 -23, 2017.

CHIPEWA UM PRESCHOOL REGISTRATION

Message from Chad Lewis

“Service”- It is one of the greatest expressions of our faith, an act that shows how God is working on our hearts as we display love and compassion for those who are in need. We have been talking about making New Year Resolutions over the last few weeks and how we can seek changes to improve society, and service is one of the simplest of these changes.

Participating in service does something special to us; it opens our hearts to the things that break God’s heart. Whether it is reaching out and offering comfort to those suffering through despair or a tragedy, offering help to someone when nothing seems to go their way, or showing compassion for the poor and homeless, those society seems to have forgotten about, opening our hearts to serve others allows us to see the world the way God sees it. The apostle Paul writes, “Faith without action is dead,” and while it is good for us to study and have fellowship events, we need to feed the faith we talk about each week and serve those in need.

These next two months we will be engaging in some service projects, working with both global missions and local missions. This month, we are helping with the World Vision organization working in a local warehouse that collects and redistributes clothing to those in need all around the world. Working with these organizations allows us to join the ministry of the Gospel, showing those who are served that they are not forgotten, that they are cared for. What a great way to have our faith become an expression of God’s heart. I hope you will be able to join us as we serve those in our community and around the world.

VAN MINISTRY HELPERS NEEDED!!!
The church would like to get the Sunday worship transportation going again. In keeping with the Safe Sanctuary Policy, we need helpers (unrelated to the driver) over the age of 18 years who would be willing to accompany the drivers as a support person. The helpers need to be Safe Sanctuary trained and familiar with the Van Policy and Procedures, but do not have to be official drivers. Their role is to assist passengers in and out of the van and as a support person in the case of emergency or any other needs. The Sunday morning 11:00 am service is the only one designated as available for the van usage. Please call the church office if you are interested in helping with this very important part of our ministry either as a driver or a helper.

The Praying Hands

All the years I have seen the picture of praying hands and never knew the true story behind them—How beautiful and hope all enjoy.

Many of us would have seen the picture of The Praying Hands, also present in many Christian homes, but would almost certainly not have heard the moving story behind this popular picture.

THE STORY BEHIND THE PICTURE OF THE PRAYING HANDS

Back in the fifteenth century, in a tiny village near Nuremberg, lived a family with eighteen children. Eighteen! In order merely to keep food on the table for this mob, the father and head of the household, a goldsmith by profession, worked almost eighteen hours a day at his trade and any other paying chores he could find in the neighborhood. Despite their seemingly hopeless condition, two of the elder children, Albrecht and Albert, had a dream. They both wanted to pursue their talent for art, but they knew full well that their father would never be financially able to send either of them to Nuremberg to study at the Academy. After many long discussions at night in their crowded bed, the two boys finally worked out a pact. They would toss a coin. The loser would go down into the nearby mines and, with his earnings, support his brother while he attended the academy. Then, when that brother who won the toss completed his studies, in four years, he would support the other brother at the academy, either with sales of his artwork or, if necessary, also by laboring in the mines. They tossed a coin on a Sunday morning after church. Albrecht Durer won the toss and went off to Nuremberg. Albert went down into the dangerous mines and, for the next four years, financed his brother, whose work at the academy was almost an immediate sensation. Albrecht's etchings, his woodcuts, and his oils were far better than those of most of his professors, and by the time he graduated, he was beginning to earn considerable fees for his commissioned works.

When the young artist returned to his village, the Durer family held a festive dinner on their lawn to celebrate Albrecht's triumphant homecoming. After a long and memorable meal, punctuated with music and laughter, Albrecht rose from his honored position at the head of the table to drink a toast to his beloved brother for the years of sacrifice that had enabled Albrecht to fulfill his ambition. His closing words were, "And now, Albert, blessed brother of mine, now it is your turn. Now you can go to Nuremberg to pursue your dream, and I will take care of you."

All heads turned in eager expectation to the far end of the table where Albert sat, tears streaming down his pale face, shaking his lowered head from side to side while he sobbed and repeated, over and over, "No... no... no."

Finally, Albert rose and wiped the tears from his cheeks. He glanced down the long table at the faces he loved, and then, holding his hands close to his right cheek, he said softly, "No, brother. I cannot go to Nuremberg. It is too late for me. Look... Look what four years in the mines have done to my hands! The bones in every finger have been smashed at least once, and lately I have been suffering from arthritis so badly in my right hand that I cannot even hold a glass to return your toast, much less make delicate lines on parchment or canvas with a pen or a brush. No, brother... for me it is too late."

More than 450 years have passed. By now, Albrecht Durer's hundreds of masterful portraits, pen and silver-point sketches, water colors, charcoal drawings, woodcuts, and copper engravings hang in every great museum in the world, but the odds are great that you, like most people, are familiar with only one of Albrecht Durer's works. More than merely being familiar with it, you very well may have a reproduction hanging in your home or office.

One day, to pay homage to Albert for all that he had sacrificed, Albrecht Durer painstakingly drew his brother's abused hands with palms together and thin fingers stretched skyward. He called his powerful drawing simply "Hands," but the entire world almost immediately opened their hearts to his great masterpiece and renamed his tribute of love "The Praying Hands."

The next time you see a copy of that touching creation, take a second look. Let it be your reminder, that no one - no one - ever makes it alone!

"The LORD bless you and keep you; the LORD make his face to shine upon you and be gracious to you; the LORD turn his face toward you and give you peace."

Ladies Valentine’s Day Tea
Saturday, February 11th
12pm - 2pm
CUMC Community Life Center

Well ladies, it’s time again for our annual Ladies Valentine’s Day Tea. Our program this year will be a video of Lisa Harper. Rarely are the terms hilarious storyteller and theological scholar used in the same sentence, much less used to describe the same person but then again, Lisa Harper is anything but stereotypical! She has been lauded as a gifted communicator, whose writing and speaking overflow with colorful pop culture references that connect the dots between the Bible era and modern life. Her style combines sound scriptural exposition with easy-to-relate to anecdotes and comedic wit. Yet when asked about her credentials, the most noticeable thing about Lisa Harper is her authenticity. During a recent interview she said, “I’m so grateful for the opportunities God’s given me but don’t forget, He often uses donkeys and rocks!” She went on to describe her greatest accomplishment to date as getting to be Missy’s mama. Because in April 2014, after a difficult two-year journey, Lisa finally got to bring her adopted daughter home from Haiti and she hasn’t stopped grinning since. We are excited that Karen McCutcheon is going to chair the tables with Hostess’ and Caren Turnbull will oversee the food for the luncheon. If you are interested in hosting a table, please contact Karen McCutcheon at 724-384-8695. We ask that if you are bringing four or more people please volunteer to host your table. It really is fulfilling to participate as a hostess. Scott said there are cups available if you would like to purchase them, please let us know ASAP. Looking forward to seeing you at the tea. Sign up sheets will be in the Welcome Center.

Come Grow With Us!

Chippewa United Methodist Church
WHAT THE WORLD NEEDS NOW IS LOVE

According to 1 John 4:10-11 Love Is…
An Emotion that is hard to describe. It is a longing for another person and deeply satisfying when returned.

An Attitude that operates more deeply than feelings.
A Supernatural Virtue instilled in us by God. “The fruit of the spirit is love…” (Gal. 5:22)

An Action that manifests itself in selfless service for others (1 John 3:17)

Is a Choice – We can determine in our hearts to love even the unlovely. When we receive God’s Love through Jesus Christ it flows through us to others.

Just as God chose to love us, we must choose to love others for “Love is of God” (1 John 4:7) today and every day put love into practice!

THE TREE OF LIFE FUNDRAISER

Join the Vision with a personalized message or memorial.

The Here We Go! Here We Grow! Committee is embarking on a new fundraiser to pay off our mortgages. A TREE OF LIFE Growing Tree has been placed in the Lobby of the church where it can be seen and appreciated by all. It will provide a permanent visual way to recognize contributors, honor loved ones or groups, create a memorial or salute exemplary achievements.

This carefully crafted Tree of Life’s trunk is magnificent cast bronze. Its leaves are actually miniature gold plaques that will be engraved for mounting. In addition, bronze stones or acorns can be purchased for around the base of the tree.

Create a lasting memorial for your family name. Watch our Tree grow, add more branches, and help the Chippewa United Methodist Church fulfill its mission to reach out into the community with God’s word. Please embrace this project. Brochures are available in Welcome Centers.

Please place my selection/s on the CUMC Tree of Life as follows:
